

10th Edition New Age Banking Summit - Oman

30th April 2019 | Muscat, Oman

UMS Conferences continues to provide an interactive platform to discover the rapid transformation of the banking sector of Oman with its New Age Banking Summit in 2019. New Age Banking Summit highlights the challenges and opportunities and provide a knowledge and networking platform that will bring the Oman's banking industry at par with its counter parts across the globe.

The summit will empower the banks to devise strategies that will help them keep pace with the evolving financial eco-system in this digital age and how the banks can be future ready by adopting digital strategies, innovating in products and services offered and reaching customers on digital channels while proactively combating cyber risks. The summit also focus on how new business models will make the bank relevant for next generation customers through adoption of new technology and what measures has to be taken today.
